To our Valued Customer ----

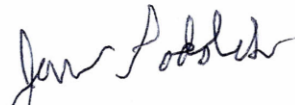

WE'RE MOVING. Through the years, we have built a business and you have been the best part of it. Thank You! Many of you (our customers) have expressed an opinion that we should expand our Furniture and Mattress Selection and even offer competitive retail prices. We listened and have decided to become much more to our existing customers and new customers alike.

You may not know this, but we are wholly owned by Gorins Furniture. In an effort to remain relevant in changing times, starting immediately, we are transitioning our operation to the Gorins Furniture and Mattress showroom located at 49 New London Tpk in Norwich. We are sure – *You'll see what you like and like what you see!* You'll find a Larger Selection of furniture and mattresses, Competitive Prices and even a Rent-To-Own option. As usual – you will receive exceptional service and a great shopping experience.

If you are an auto-pay customer, your payments will continue as usual; Otherwise, please visit the Gorins showroom where your payment will be accepted. I will be on-hand to handle any concerns you have as we make our transition to Gorins Furniture. You can find me at our current location (across from Town Fair Tire) until September 15th - Monday Through Friday. Starting September 16th – you will find me at Gorins Furniture, 49 New London Tpke in Norwich.

I look forward to hearing from you.

Sincerely,

James
